About

Senior UX/UI & Product Designer with 8 years of experience, focused on UX, CX and agentic experience (AX). I turn complex products and customer journeys, across SaaS, fintech and ecommerce, into clear, scalable experiences, from research and strategy to production-ready UI and design systems. Designed TalentCapital.AI (**83,000+ active users**) and rebuilt Altafid's design system, cutting design-related QA issues by **90%**.

Experience

Senior Product Designer (Contractor) | AX, AI Products, Design Systems

BuildWithin · Oct 2025 – Aug 2026 · 11 mos · Remote

- Designed the multi-role SaaS platform end to end (Candidate, Talent Manager, Case Manager, Administrator, Super Administrator), including AI-automated eligibility and document validation; partnered with product, engineering, and C-level.
- Designed an AI-conversational assessment for a confidential government security client and Celeste (career agent for Talent Capital/MWCOG), launched as TalentCapital.AI: **83,000+ active users**, Product of the Year (Technical.ly).
- Designed agentic experiences (AX): user control, trust signals, agent-led flows that replace traditional navigation, and review UIs to verify multi-step AI work at a glance.

Lead Senior Product Designer | Fintech SaaS, Design Systems, Team Leadership

Altafid · Jun 2022 – Sep 2025 · 3 yrs 4 mos · Remote

- Led end-to-end design of a fintech SaaS platform for asset management (TAMP) (onboarding, 2FA, trading, billing, investment models), a native mobile app, and a B2B marketplace.
- Rebuilt the design system from zero (white-label, multi-platform, mapped to code, implemented directly by a large development team in China, with design QA): **90% fewer design-related QA issues, 23 features across 3 platforms**.
- Led and mentored **4 product designers**; ran primary research (interviews, Maze) across every user archetype; integrated UX with marketing, sales, and customer success; worked with Product Owners, CTO, CEO, and leadership in the US and Chile.

UX/UI Senior Designer | Ecommerce, CX, Design Systems

Tekpro · May 2019 – Jun 2022 · 3 yrs 2 mos · Chile

- Designed complete e-commerce sites for **6 brands** (incl. Agrosuper, Casa Royal, Casa Amarilla, Lego, Amphora), working directly with business owners: discovery, account creation, home, landing pages, PLP, PDP, checkout, and legal pages, adapting a modular design system per brand; built static and animated prototypes (Adobe XD, Figma).
- Ran daily design operations for **27+ brands**: Jira tickets, banners (Google Ads, social, email), weekly MailUp emails, and event landing pages (Cyber Monday, CyberDay, Black Friday, Christmas, New Year) built in Magento 1/2/Cloud, WordPress, VTEX IO, and Shopify (HTML, CSS, Bootstrap), with developer QA.
- Created the brand identity and website for Rocket Marketing, Tekpro's marketing area, and delivered full design service for **5 client brands** (brand image, web design, content, product photos).

Graphic Designer | Brand Identity, Web

Alba Studio · Dec 2018 – May 2019 · 6 mos · Chile

- Built brand identities and print, digital, and social media assets for multiple clients; designed NF Pro Producciones' corporate website end to end.

UX/UI Designer | Website, Brand Identity

CETIUC · Jan 2018 – Nov 2018 · 11 mos · Chile

- Designed CETIUC's first institutional website from scratch (information architecture, wireframes, UI) and defined its digital brand identity.
-

Education

Pontificia Universidad Católica de Chile — Professional Degree in Design

2012 – 2018, Chile · Major in Strategic Design

- Coursework in User Experience Design, Design Thinking, Service Design, Human-Centered Design, and Interaction Design

IBM Skills Network — Generative AI for UI/UX Design

Certified · 3-course specialization · Prompt engineering, AI-assisted UX/UI workflows, AI prototyping, personalization, and usability testing.

Skills

Design: User-Centered & Product Design · Design Systems & White-label Theming · Mobile UX (iOS/Android) · Conversational AI Interfaces · Agentic Experience (AX) Design · Trust Signals & Review UI · User Flows · Information Architecture · Customer Journey Mapping · Accessibility (WCAG 2.2)

Research: User Research & Testing · Usability Testing (Maze) · A/B Testing · User Interviews · Benchmarking · Data Analysis

Prototyping: Figma (Auto Layout, Design Tokens, Component Libraries) · Adobe Illustrator · Adobe Photoshop · Uizard · Voiceflow

Collaboration: Agile / Scrum · Miro · Cross-functional teams · Mentoring junior designers · GenAI-assisted design workflows · Prompt Engineering

Tools: Jira · Maze · Adobe XD · Magento · Shopify · WordPress · VTEX IO · HTML/CSS · MailUp

Languages: English (advanced; IGCSE and PET certified) · Spanish (native)
